Since our foundation in 1997, we have made continuous efforts to expand our product lines. We now offer a comprehensive range of products, including aluminum solar panel frame, curtain wall aluminum profile and industrial aluminum profile, in addition to our aluminum extrusion. High quality and competitively priced, our products are very popular with customers from the USA, Russia, France, Germany, South Africa, Argentina, Brazil, among other countries. Our company is located in Jiangyin, Jiangsu Province. Here we enjoy convenient transportation, which facilitates the transports of goods and reduces the cost of shipping for our customers.

Thanks for visiting our website! If you are in need of our aluminum extrusions or other aluminum products, please contact us!
